## **INDEPENDENT AUDITORS' REPORT**

To the Board of Directors  
Watertown Community Foundation, Inc.  
Watertown, Massachusetts

### **Opinion**

We have audited the accompanying financial statements of Watertown Community Foundation, Inc. (a Massachusetts nonprofit Foundation), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Watertown Community Foundation, Inc. as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Watertown Community Foundation, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Watertown Community Foundation, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Board of Directors  
Watertown Community Foundation, Inc.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Watertown Community Foundation, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Watertown Community Foundation, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Report on Summarized Comparative Information**

We have previously audited Watertown Community Foundation, Inc.'s 2021 financial statements, and we expressed an unmodified opinion on those audited financial statements in our report dated November 7, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived, but we have not performed any audit procedures since that date.

WATERTOWN COMMUNITY FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

*(With Summarized Comparative Information for 2021)*

NOTE 1     ORGANIZATION

The Watertown Community Foundation, Inc. (“WCF” or the “Foundation”) was incorporated under the provisions of Massachusetts General Laws Chapter 180 and qualifies as a tax-exempt, not-for-profit corporation under Section 501(c)(3) of the Internal Revenue Code (“IRC”). The Watertown Community Foundation has been classified as an organization which is not a private foundation under IRC Section 509(a); accordingly, contributions made to the Foundation qualify for the maximum charitable deduction for federal income tax purposes.

NOTE 2     PROGRAM SERVICES

The Watertown Community Foundation seeks to promote a strong, close-knit community by fostering connections, respect, and mutual support among Watertown’s diverse residents. It provides philanthropic leadership and expands opportunities for charitable giving and not-for-profit activities that meet local needs, now and for future generations.

In March 2020, the Watertown Community Foundation confronted COVID-19’s impact, playing a key role in coordinating the community’s response by quickly establishing the Community Resilience Fund (“CRF”). The fund was initially created by a WCF allocation and contributions made by board members, followed by contributions from the local community. In 2021 and 2022, we continued to receive and distribute COVID-19 relief funds from private foundations, state and federal grants.

The pandemic has fundamentally changed the way we work as a foundation with the community at large. We continue to rapidly deploy essential support to front-line community partners and convene both nonprofit and public entities. It is anticipated that our impact efforts will continue through 2023 with the allocation of additional COVID-19 funding from state and federal grants.

NOTE 3     SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting:**

The financial statements of the Watertown Community Foundation, Inc. have been prepared on the accrual basis of accounting in conformity with generally accepted accounting principles (“GAAP”) and accordingly, reflect all significant receivables, payables, and other liabilities.

**Estimates:**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates; however, adherence to generally accepted accounting principles, has in management’s opinion, resulted in reliable and consistent financial reporting by the Organization.

WATERTOWN COMMUNITY FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

*(With Summarized Comparative Information for 2021)*

*(Continued)*

NOTE 3     *(Continued)*

**Fair Value of Financial Instruments:**

The Foundation reports its fair value measures using a three-level hierarchy that prioritizes the inputs used to measure fair value. The hierarchy, established by generally accepted accounting principles, requires that entities maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The three levels of inputs used to measure fair value are as follows:

- Level 1 -     Quoted prices for identical assets or liabilities in active markets to which the Organization has access at the measurement date.
  
- Level 2 -     Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets in markets that are not active; observable inputs other than quoted prices for the asset or liability (for example, interest rate and yield curves); and inputs derived principally from, or corroborated by, observable market data by correlation or by other means.
  
- Level 3 -     Unobservable inputs for the asset or liability. Unobservable inputs should be used to measure the fair value to the extent that observable inputs are not available.

The primary use of fair value measures in the Organization's financial statements is the recurring measurement of its *Long-Term Investments*.

**Financial Statement Presentation:**

The Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. These classifications are related to the existence or absence of donor-imposed restrictions as defined below.

*Net Assets Without Donor Restrictions* - Net assets without donor restrictions are resources available to support operations and not subject to donor restrictions. In addition, net assets within this classification include funds which represent resources designated by the Board of Directors for specific purposes.

*Net Assets With Donor Restrictions* - Some restrictions are temporary in nature, such as those that are restricted by a donor for use for a particular purpose or in a particular future period. Other restrictions may be perpetual in nature, such as those that are restricted by a donor that the resources be maintained in perpetuity. For the years presented, the Foundation has a term endowment fund which is required to be maintained through April 2027, but WCF is permitted to expend part of the income derived from this asset as outlined in the endowment policy. The Organization's unspent contributions are reported in net assets with donor restrictions if the donor limited their use, as are promised contributions that are not yet due. Contributions of property and equipment or cash restricted to acquisition of property and equipment are reported as net assets with donor restrictions if the donor has restricted the use of the property or equipment to a particular program. These restrictions expire when the assets are placed in service.

WATERTOWN COMMUNITY FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

*(With Summarized Comparative Information for 2021)*

*(Continued)*

NOTE 3      *(Continued)*

The accompanying financial statements include certain 2021 summarized comparative information. With respect to the Statement of Functional Expenses, 2021 expenses by line item are in total rather than by functional category which is not a complete financial statement presentation under GAAP. Accordingly, such information should be read in conjunction with the Foundation's financial statements for the year ended December 31, 2021, from which the summarized information was derived.

**Endowment Funds:**

Some of the Foundation's funds are established as endowment funds with the earnings and appreciation either available for general giving or restricted for specific purposes by the endowment agreement. As required by the Commonwealth of Massachusetts, the Foundation follows the guidance of the Uniform Prudent Management of Institutional Funds Act ("UPMIFA"). UPMIFA establishes law for the management of investment of endowment funds with donor restrictions. The Board of Directors' interpretation of state law is that the Foundation, absent explicit donor stipulations to the contrary, may appropriate as much of the net appreciation as is prudent considering the Foundation's long and short-term needs, present and anticipated financial requirements, expected total return on its investments, price-level trends, and general economic conditions.

In accordance with UPMIFA, the Foundation considers the following factors in making a determination of whether to invest or appropriate endowment funds with donor restrictions:

- The duration and preservation of the fund
- The purposes of the Foundation and the endowment funds with donor restrictions
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Foundation
- The investment policies of the Foundation

The Foundation reports the original corpus of the initial and subsequent gift amounts donated to the endowment as restricted in perpetuity. Income and appreciation earned on endowment investments are classified as net assets with donor restrictions until appropriated for expenditure by the Board of Directors based on the above criteria.

The Foundation's endowment funds consist of funds with donor restrictions. The Foundation has adopted investment and spending policies for endowment assets, and funds functioning as endowment, that attempt to provide a predictable stream of funding for programs supported by its endowment, while seeking to maintain the purchasing power of the endowment assets. Under this policy, as approved by the Board of Directors, the endowment is to maintain its purchasing power by generating a total return, net of fees, that exceeds the spending rate over the long-term. The spending rate on the endowment funds and funds held under "spending policy agreements" is 5% of the market value of the fund.

To satisfy its long-term rate-of-return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets a diversified asset allocation to achieve its long-term return objectives within prudent constraints.

WATERTOWN COMMUNITY FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

*(With Summarized Comparative Information for 2021)*

*(Continued)*

NOTE 3     *(Continued)*

**Certificate of Deposit:**

As of December 31, 2021, the Foundation held a certificate of deposit in the amount of \$5,333 with a maturity date of March 2023 and an interest rate of 0.28%. During 2022, the Foundation withdrew the certificate of deposit before its maturity date. There was no certificates of deposit as of December 31, 2022. *Certificates of Deposit* are carried at cost plus accrued interest and are presented as current or non-current in accordance with the underlying intentions.

**Receivables:**

*Grant Receivable* represents amounts due under a government grant award as of December 31, 2022. *Pledges and Contributions Receivable* represent unconditional promises to give from individuals and foundations. Amounts that are expected to be collected within one year are reported as current assets at their net realizable value and amounts expected to be collected in future years are reported as non-current assets and are initially recorded at fair value using present value techniques when such amounts are deemed material. Management determines the allowance for uncollectible grants and pledges receivable based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Receivables are written off against the allowance when deemed uncollectible. As of December 31, 2022 and 2021, Management has deemed all receivables fully collectible and, therefore, they have not been reduced by an allowance for uncollectible receivables.

**Long-Term Investments:**

The Foundation maintains an investment portfolio which includes cash and publicly traded mutual funds and exchange-traded funds. Investment purchases are recorded at cost, or if donated at fair value on the date of donation. Thereafter, investments are reported at their fair value, including unrealized gains and losses in the Statements of Financial Position. Money market funds held in brokerage accounts is reported as cash for purposes of these financial statements. Investments are classified as either short-term or long-term, depending upon the underlying intention.

**Leases:**

The Organization determines if an arrangement is a lease at inception. When the standards apply, operating leases are included in operating lease right-of-use (“ROU”) assets and operating lease liabilities in the Statements of Financial Position. ROU assets represent the right to use an underlying asset for the lease term and lease liabilities represent the obligation to make lease payments arising from the lease. Operating lease ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term.

The operating lease ROU asset includes any lease payments made and excludes lease incentives. The lease terms may include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise that option. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

WATERTOWN COMMUNITY FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

*(With Summarized Comparative Information for 2021)*

*(Continued)*

NOTE 3     *(Continued)*

The Organization has elected the short-term lease exemption for all leases with a term of 12 months or less for both existing and ongoing operating leases to not recognize the asset and liability for these leases. Lease payments for short-term leases are recognized on straight-line basis.

For the years presented, there were no arrangements which met the criteria for application of the lease accounting standards.

**Revenue Recognition:**

The Foundation recognizes revenue from numerous sources as follows:

*Gifts, Grants and Contributions:* The Foundation is the beneficiary of contributions in the form of grants from other organizations, governmental agencies, donations of cash and financial assets from individuals and contributions of nonfinancial assets. Contributions, including promises to give, without donor conditions are recognized as revenue at their estimated fair value at the date of donation and classified as either with or without donor restrictions depending on the donor's stipulations or lack thereof. Unconditional, multi-year commitments are recognized in the year during which the initial commitment is made at the amount that the Foundation reasonably expects to collect. Contributions to be received after one year are discounted at an appropriate discount rate commensurate with the risk involved.

Conditional donations are those that have a measurable performance or other barrier and include a right of return of the assets or right of release of the donor from further obligation if the conditions are not met. Conditional donations are not recognized until the associated barriers are met. Cash received before the conditions or barriers are met is reported as a *Conditional Grant Advance* in the accompanying Statements of Financial Position.

Support that is restricted by the donor is reported as an increase in net assets with donor restrictions until the restrictions are met, at which time the net assets are reclassified to net assets without donor restrictions. The Foundation has elected to report conditional contributions restricted by the donors as increases in net assets without donor restrictions if the restrictions and conditions expire in the same reporting period.

A portion of the Foundation's revenue is derived from cost-reimbursable state contracts and grants, which are accounted for as contribution revenue and are conditional upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Such amounts are reported as *Government Grants* in the accompanying Statements of Activities. Amounts received are recognized as revenue when the Foundation has incurred expenditures in compliance with specific contract or grant provisions.

*Donations of Nonfinancial Assets:* Contributed nonfinancial assets may include donated professional services, donated rent, and other in-kind contributions which are recorded at the respective fair values of the goods or services received. Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Foundation. For the years presented, the Foundation did not have donations of nonfinancial assets.

*Investment Return:* Interest and dividends on investments are recognized when earned. Realized and unrealized gains and losses are recognized as incurred or based on market value changes during the period. External and direct internal investment expenses are netted against the investment return.

WATERTOWN COMMUNITY FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

*(With Summarized Comparative Information for 2021)*

*(Continued)*

NOTE 3     *(Continued)*

**Functional Expenses:**

Watertown Community Foundation, Inc. allocates its expenses on a functional basis among its various programs and support services. Expenses that are common to several functions are allocated based upon space and time usage. For the years presented, the following expenses are based on employee time and effort: *Salaries and Wages* and *Payroll Taxes and Employee Benefits*. Supporting services are those related to operating and managing WCF and its programs on a day-to-day basis.

Supporting services have been sub-classified as follows:

*Administrative* - includes all activities related to Watertown Community Foundation, Inc.'s internal management and accounting for program services.

*Fund Raising* - includes all activities related to maintaining contributor information, writing grant proposals, distribution of materials, indirect costs of fund raising events and other similar projects related to the procurement of donated funds.

**Grants Expense:**

The Foundation recognizes a grant expense at the time the Board of Directors approves the award and all significant conditions are met. Grants made by the Foundation are generally approved based on community need and an application process. Designated grants are grants made from funds established to support specific organizations.

**Recent Accounting Guidance:**

*Recently Implemented Standards*

The Organization adopted ASC Update No. 2016-02, (Topic 842) *Leases* effective January 1, 2022, which establishes a comprehensive new lease accounting model. The new standard clarifies the definition of a lease and causes lessees to recognize leases on the Statement of Financial Position as a lease liability with a corresponding right-of-use asset for leases with a lease term of more than one year. As part of the adoption of the standard, the Organization elected and applied the following practical expedients on the adoption date:

The package of practical expedients permitting the Organization to not reassess (i) the lease classification of existing leases; (ii) whether existing and expired contracts are or contain leases; and (iii) initial direct costs for existing leases.

For the years presented, there were no arrangements which met the criteria for application of the lease accounting standards, or such amounts were deemed immaterial.

During the year ended December 31, 2022, the Organization adopted ASU 2020-07 *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. This ASU increases transparency in reporting nonprofit gifts-in-kind in the Organization's financial statements. For the years presented, the Foundation did not have any contributions of nonfinancial assets within the scope of the standard.

NOTE 5 *(Continued)*

**Term Endowment:**

The Watertown Arsenal Education Principal Fund (the “Principal Fund”) is to be used for educational purposes for residents of the Town of Watertown, as may be determined by the Board of Directors, which may include, but shall not be limited to, the granting of scholarships or other forms of financial assistance for educational purposes to or for the benefit of residents of the Town of Watertown. Under the terms of the gift that established the Fund, the principal of the Fund may not be distributed for a period of 25 years from April 1, 2002. During this period, Fund earnings of up to 5% per annum are to be maintained in the Fund and added to the Fund principal.

The Watertown Arsenal Education Income Fund (the “Income Fund”) represents annual fund earnings in excess of 5%, which become available for distribution as determined by the Board of Directors in accordance with the terms of the gift.

The following schedule summarizes the change in endowment net assets for the years ended December 31, 2022 and 2021:

	<u>With Donor Restrictions</u>		
	<u>Principal Fund</u>	<u>Income Fund</u>	<u>Total Endowment Funds</u>
Term Endowment Net Assets, December 31, 2020 (Unaudited)	\$1,286,556	\$ 600,288	\$1,886,844
Investment Income	167,475	122,117	289,592
Appropriated for Expenditures	<u>-</u>	<u>(211,170)</u>	<u>(211,170)</u>
Term Endowment Net Assets, December 31, 2021	1,454,031	511,235	1,965,266
Investment Income	(193,313)	(117,655)	(310,968)
Appropriated for Expenditures	<u>-</u>	<u>(140,466)</u>	<u>(140,466)</u>
Term Endowment Net Assets, December 31, 2022	<u>\$1,260,718</u>	<u>\$ 253,114</u>	<u>\$1,513,832</u>

NOTE 6 CONCENTRATIONS

**Pledges Receivable, Grant Receivable and Revenue:**

As of December 31, 2022, 100% of the *Grant Receivable* was due from one government agency. As of December 31, 2021, 100% of *Pledges and Contributions Receivable* were due from one donor.

For the year ended December 31, 2022 and 2021, revenue recognized from the Commonwealth of Massachusetts under two separate grant awards represent 77% and 75% of total support and revenues, respectively.

WATERTOWN COMMUNITY FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS

NOTE 6     *(Continued)*

**Cash and Investments:**

The Foundation is subject to concentrations in credit risk relating primarily to cash and investments. The Foundation maintains bank accounts at one financial institution as of December 31, 2022 and two financial institutions as of December 31, 2021. Cash balances are insured by the Federal Deposit Insurance Corporation (“FDIC”) up to \$250,000 per institution. As of December 31, 2022 and 2021, cash balances did not exceed FDIC coverage limits. Additionally, the Foundation’s investment portfolio is custodied with one financial institution. The Foundation invests in professionally managed money market, mutual funds and exchange-traded funds that contain various types of marketable securities. The Foundation’s investments are exposed to various risks, such as fluctuations in market value and credit risk. Thus, it is at least reasonably possible that changes in the near term could materially affect investment balances.

NOTE 7     CONDITIONAL COMMITMENTS

In July 2021, the Foundation received a \$450,000 conditional grant award for grantmaking through September 2023 from the Commonwealth of Massachusetts under the Community Development Block Grants Program to address food security issues. Per the terms and conditions of the grant program, the Foundation received an upfront 5% advance conditional grant award amount as working capital of \$22,500. As of December 31, 2022 and 2021, the Foundation met certain conditions on the advanced conditional portion and recognized \$346,524 and \$1,410, respectively, in unrestricted government funding in the Statements of Activities for the years then ended. As of December 31, 2022, the remaining balance of \$102,066 is conditional upon the expenditure, or granting of the funds; therefore, this amount has not been recognized in the accompanying Statements of Activities.

On December 29, 2021, the Foundation received a \$129,421 conditional grant award for grantmaking in 2022 from the Commonwealth of Massachusetts under the Community Foundation Grant Program for COVID-19 Relief. Per the terms and conditions of the grant program, the Foundation must disburse the first 50% of the total award within three months of receipt, and the subsequent advances of 40% and 10% of the total award are contingent upon approval of the prior reimbursement invoice, and all funds are required to be disbursed by June 30, 2022. As of December 31, 2022, the Foundation met the conditions and recognized \$129,421 in unrestricted government funding in the Statements of Activities for the year then ended.

Total remaining conditional funding as of December 31, 2022 amounted to \$102,066 and will be recognized as revenue when the qualifying expenditures have been made.

NOTE 8     LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The following table reflects the Foundation’s financial assets as of December 31, 2022 and 2021, reduced by amounts not available for general expenditure within one year. Financial assets are considered unavailable when illiquid or not convertible to cash within one year or because the governing board has set aside the funds for a specific contingency reserve or a long-term investments.

The Foundation has a goal to maintain financial assets, which consist of cash, money market funds, and short and long-term investments, on hand to meet at least six months of expenses as its general expenditures, liabilities, and other obligations come due.

NOTE 8 (Continued)

For purposes of analyzing resources available to meet general expenditures over a twelve-month period, the Foundation considers all expenditures related to its ongoing activities of grantmaking as well as the conduct of services undertaken to support those activities to be general expenditures.

	<u>2022</u>	<u>2021</u>
Financial Assets:		
Cash	\$ 145,001	\$ 226,398
Grant Receivable	60,405	-
Pledges and Contributions Receivable	3,142	7,500
Certificates of Deposit	-	5,333
Investments	<u>2,005,860</u>	<u>2,509,491</u>
Total Financial Assets as of December 31, 2021	2,214,408	2,748,722
Less Amounts Not Available to be Used Within One Year:		
Cash and Investments Held for Funds	(1,757,675)	(2,142,365)
Certificate of Deposit	<u>-</u>	<u>(5,333)</u>
Financial Assets Available to Meet General Expenditures Within One Year	<u>\$ 456,733</u>	<u>\$ 601,024</u>

NOTE 9 SUBSEQUENT EVENTS

Management is required to consider events subsequent to the financial statement date for potential adjustment to or disclosure in the financial statements. Therefore, Management has evaluated subsequent events through January 12, 2024, the date which the financial statements were available for issue, and noted the following event which met the disclosure or recognition criteria:

**Grant Awards:**

Subsequent to the year ended December 31, 2022, WCF was the recipient of two conditional government grants totaling \$815,442.
